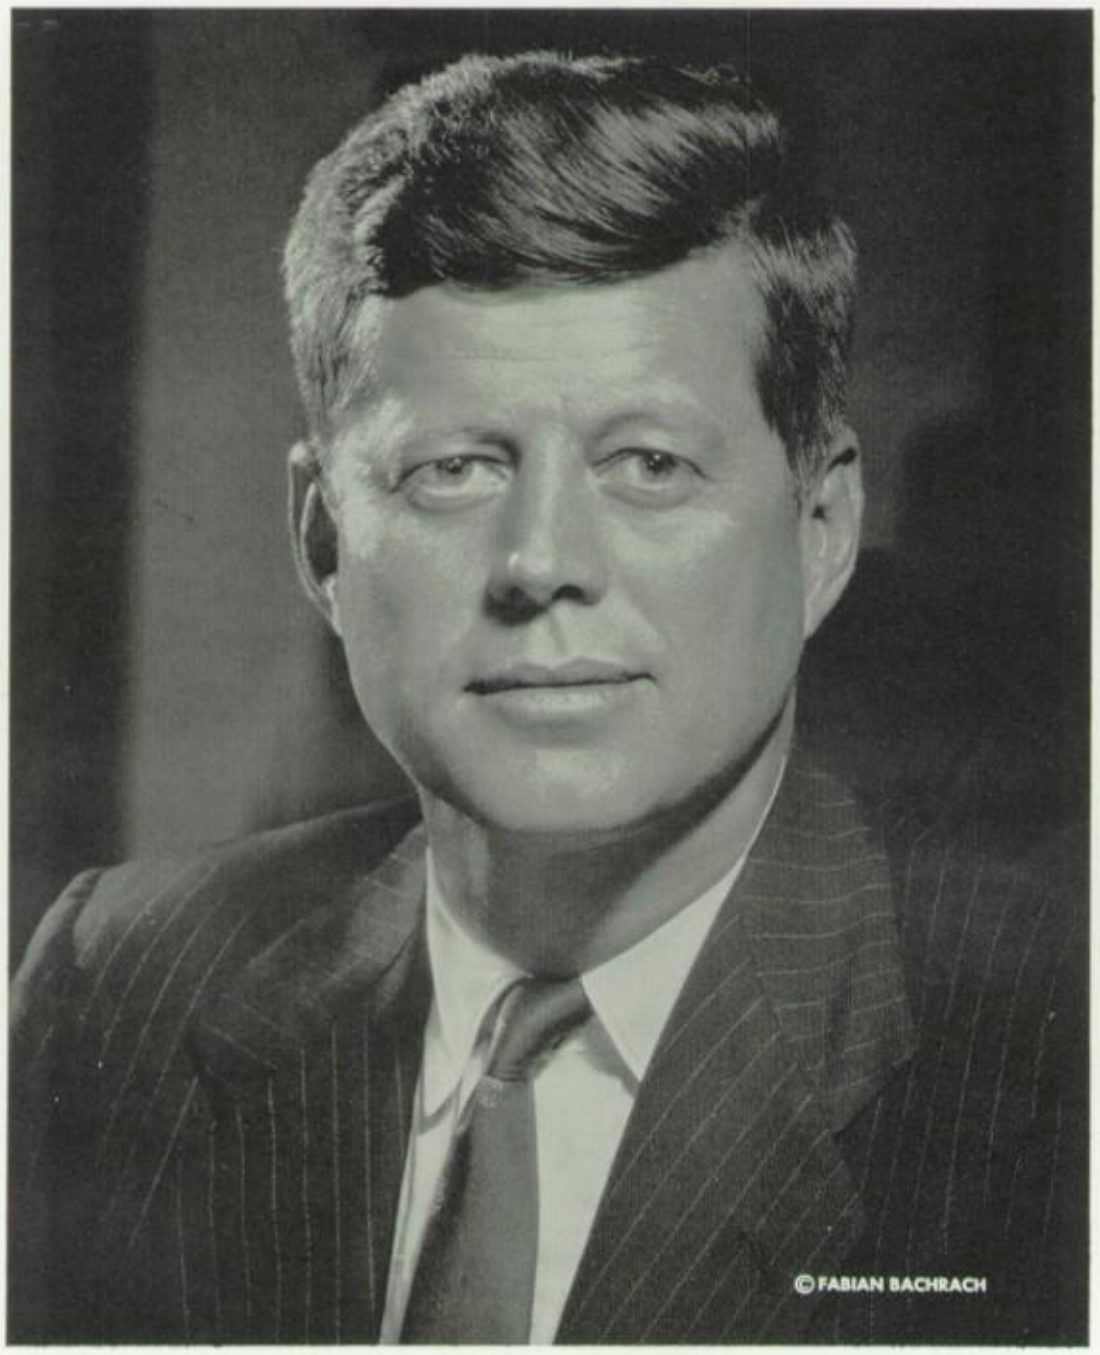
A TRIBUTE TO A GREAT MAN



President John F. Kennedy

'Twas a fair Autumn day towards the end
of November:
This day is one we shall always remember.
Our President was riding in a big limousine
He and his wife, the great fashion queen.
They waved and smiled to the onlooking
crowd
Everyone was happy; the bands were loud.

When suddenly out of the clear blue sky
Came three gun shots, then a moaning cry.
He slumped o'er his seat, to his wife's
side he fell,
Her sigh was, "Oh, no!" as she bid him
farewell.

The word of the tragedy traveled fast,
Everyone wondering whether he'd last.
We all waited and at a quarter past two
We were told that the President, His last
breath he had drew.

Forever we'll hold him in high esteem,
How can we express just what we mean.
In the history of the world he will always
be remembered
For all the great things he has faithfully
endeavored.

EDITORS' NOTE

Dear Faculty, Students, and Friends,

We sincerely hope that this edition of the Luanna will reflect the wonderful faculty, students, and activities that Dalton High School possesses.

Our basic goal for the 1964 yearbook was to give a well-rounded look of the school and its students. Therefore, for our colored picture, we have chosen the National Honor Society in the school library. The students represent the various activities which DHS boasts. These include students who excel in music, athletics, scholastics, art, and dramatics. Also, the library symbolizes the heart of all learning, which is the primary purpose of schools. For it is in the library that lies the accumulated knowledge of man.

As editors, we wish to thank everyone who helped to produce this yearbook and to especially thank the faculty for their co-operation in taking pictures.

We feel that 1963-64 has been an outstanding and wonderful year, and it is with a tear in our eye that we bid farewell to the halls of Dalton.

Our
Mrs. Bowman

We, the Luanna Staff of 1964, are proud to dedicate this, the nineteenth annual edition, to Mrs. Barbara Bowman, our wonderful librarian and Latin teacher.

To many of her beginning Freshman Latin students, Mrs. Bowman is that "big" Latin teacher who for some strange reason tries to pound amo, amas, amat, into their little heads. However, as time progresses, they soon realize that their teacher is by no means an ordinary person, but an intelligent, determined, understanding, and energetic little lady who knows what she's doing.

Mrs. Bowman can also be seen throughout the day in the library where she is busily at work making it the best school library in the county.

During the six years that Mrs. Bowman has been at Dalton, she has brought new life into the Roma Club and has won state honors at the Ohio Junior Classical League Convention. These awards were won in the project and costume contests. In addition to this, with her excellent guidance, Tim Sword and Sandy Moser were elected President and Secretary respectively, of the OJCL.

We consider it a great privilege to have Mrs. Bowman as a member of our faculty. And it is with sincere hearts that we say Thank You, Mrs. Bowman, for your never-ending service to our school.

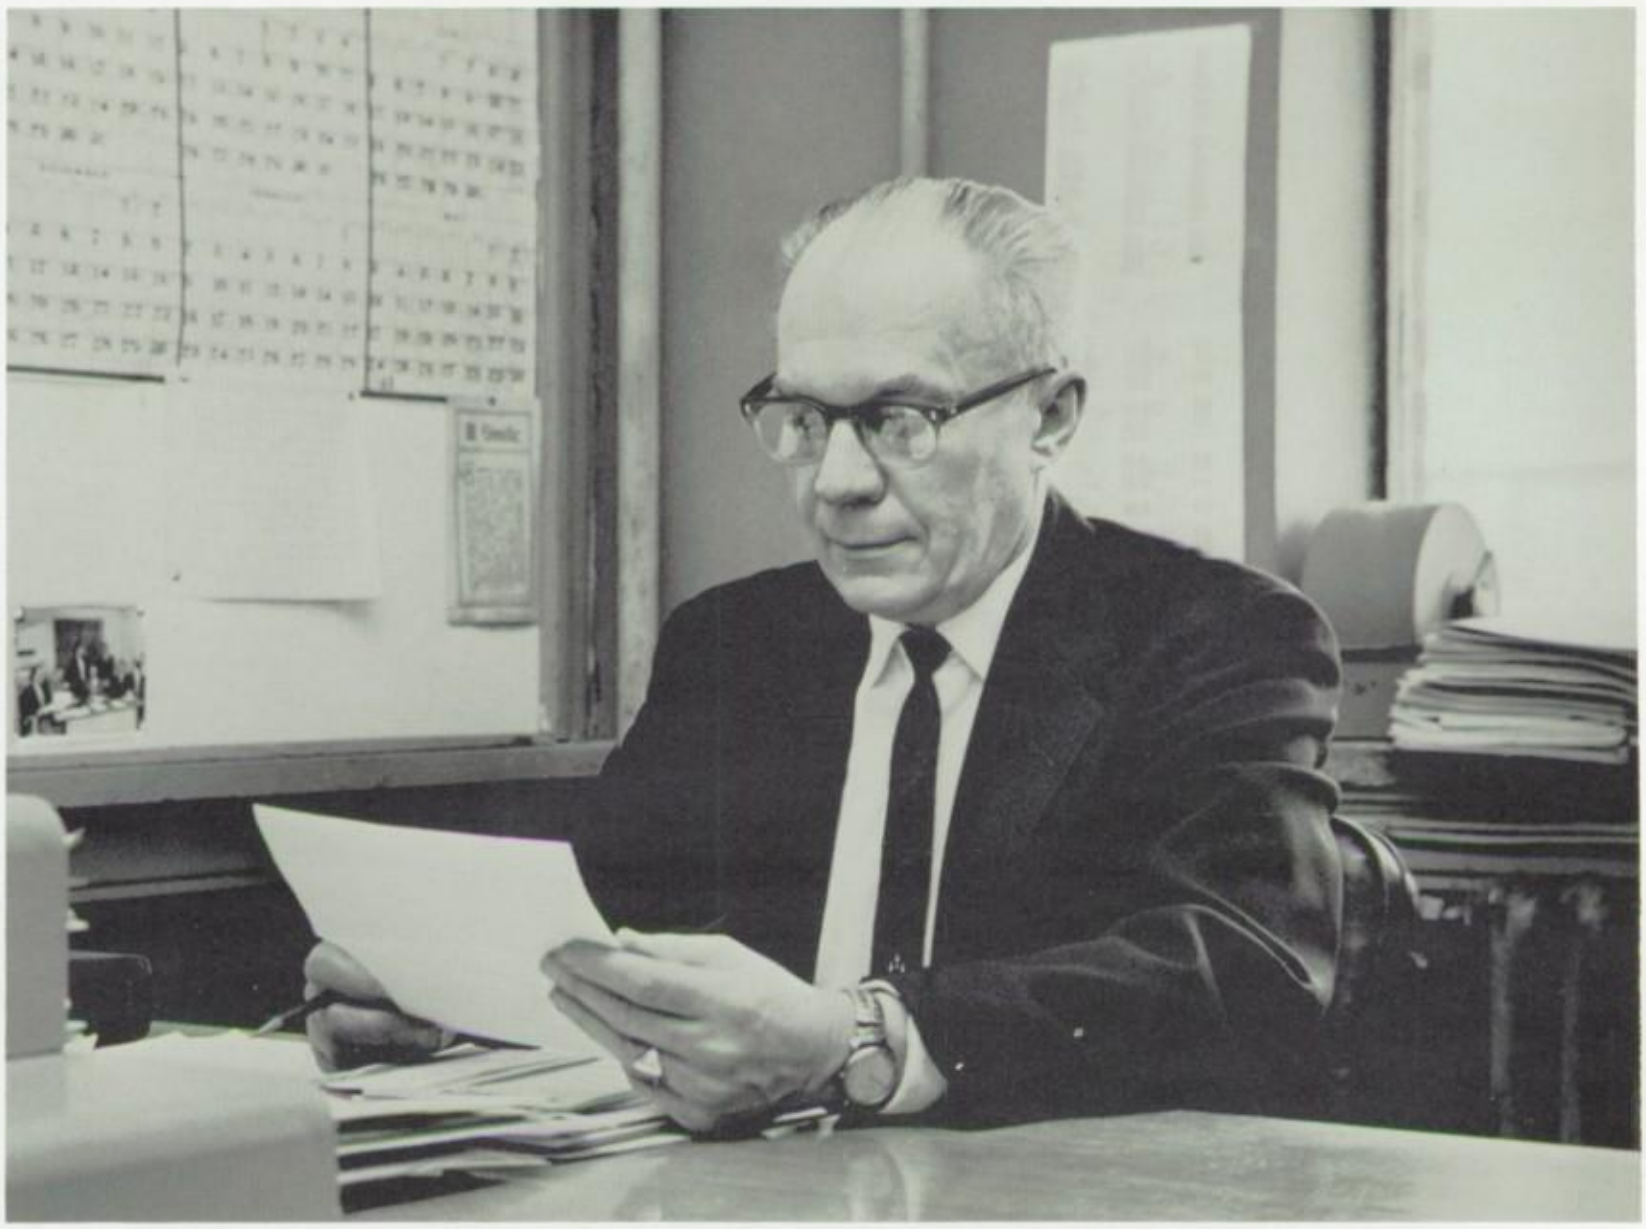
BOARD OF EDUCATION

This year we are deeply indebted to the Board of Education for the work they did towards passing the school bond issue. As a result, a new high school will soon be built at Dalton.

So to the Board, and the many others who contributed to the passage of this issue, we, as students of Dalton, say "Thank You."

EXECUTIVE HEAD



Donald R. Baker

Many times we fail to appreciate the blessings in our lives. We too often see the misfortunes and ignore the good fortunes that occur. Too many times we are concerned with the immediate situation, instead of the events that are to occur in the future.

The song, "Count Your Blessings," has been one of my favorites because I feel that the message presented in its lyrics, has a philosophy that one might like to live by. There is always more of the good than the bad. Think how fortunate you are to be alive, and live in a fine community such as ours. So be sure and count your "Many Blessings." You will find that you are well blessed.

PRINCIPAL

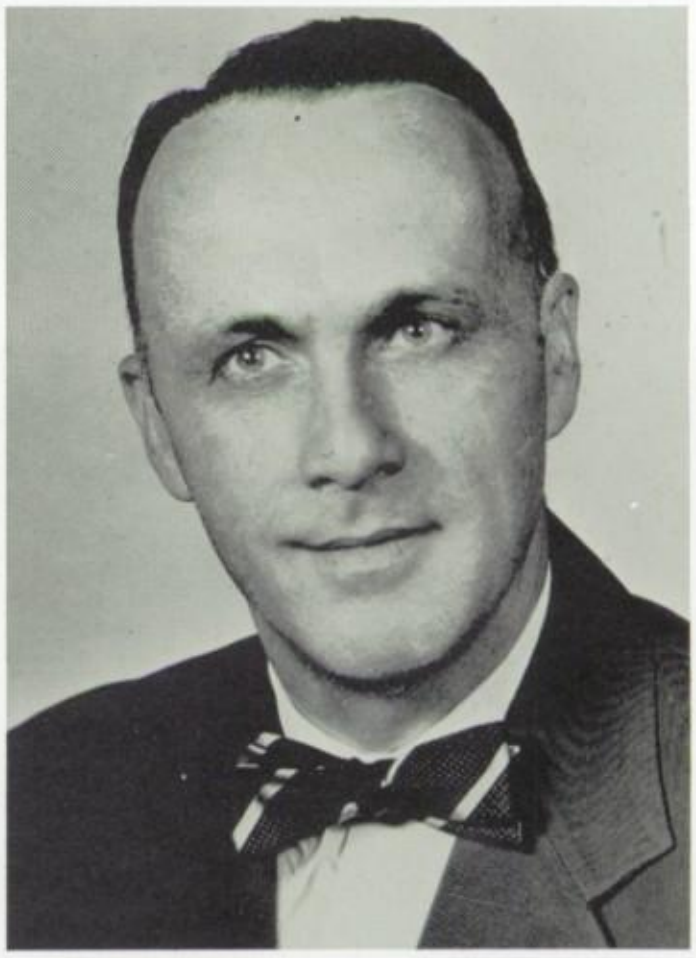
I. Glen Berg

Once again we are indebted to the editors and staff of the Luanna for an organized account of the activities and achievements of the past school year. Our thanks and congratulations for this excellent edition to Pauline Shisler, Eileen Wenger, and the staff.

Past records of achievement deserve recognition and memories of other days are pleasant to recall, but young people who desire marked self-improvement must constantly seek new problems and experiences and search diligently to learn the facts and to think creatively.

May the students of Dalton High School always show an ambitious, enthusiastic desire for learning as they remember that education, once the privilege of a few, is today a necessity for us all.

At the left is Shirley Hare, our High School secretary. Throughout the school year she has always been ready and willing to help us. Her cheery smile and friendly ways make her a friend of both the faculty and students.



At the right is Mr. Slusser, who is the clerk of the Board of Education. Although the students have little personal contact with him, his valuable services are greatly appreciated.

At the left is Betty Wertz, Mr. Baker's attractive and efficient secretary. Her hard work and pleasing personality have gained her the admiration and friendship of all.

TEACHER OF THE YEAR

MR. DONALD R. BAKER

Each year the Dalton Chapter of the Future Teachers of America chooses a member of the faculty for the high honor of the Teacher of the Year Award. The recipient of this award is selected on the basis of leadership, character, service and personality. The 1964 award went to Mr. Donald R. Baker.

Mr. Baker is the superintendent of Dalton Local Schools and the teacher of solid geometry and trigonometry of Dalton High School. This year Mr. Baker has completed 38 years of teaching school. Although he is now eligible to bid a final farewell to the classroom, Mr. Baker plans to continue teaching in Florida.

Since Mr. Baker arrived at Dalton, exactly twelve years ago, the seniors feel that he is graduating with them. Therefore, they have granted him an honorary diploma and membership of the Class of 1964.

Mr. Baker is noted for his love and understanding of young people and is mainly interested in helping them to become good citizens. His efforts concerning the welfare of Dalton's youth contributed greatly towards the passing of the school bond issue this year.

Although Mr. Baker will not be teaching in the new school, fond memories of him will always linger in its halls as well as in the halls of our present school.

Thank You, Mr. Baker, for <u>everything</u> you've done for the students of DHS. May happiness and success remain yours in Florida.

Mr. Baker celebrating his birthday.

F.T.A. President, Gary Gonter, presents the award.

TROPHY

From left: Assistant Coach, Robert Pack; Head Coach, Billie McFarren; Assistant Coach, John Caldwell.

The students of Dalton High School are entitled to have pride and respect for the football team this year. Displayed throughout the season were outstanding sportsmanship and tireless effort which brought to the Bulldogs a 9-0 record and the Wayne County Championship title. Contributing to these achievements were many factors. Team spirit was raised through the efforts of the Booster Club and the student body, cheerleaders, and Girls' Band, besides a host of enthusiastic Bulldog supporters. The excellent training of Coaches McFarren, Pack, and Caldwell was evident throughout the season and especially with the placement of many Dalton players on the All-County team. They were: Bob Boyd, Gary Nussbaum, Eldon Gerber, and Curt Blosser. Receiving honored positions on the All-District team were Richard Shisler, Gary Nussbaum, Bob Boyd, Eldon Gerber, and Curt Blosser.

Through the desire of the entire team, the fine coaching staff and the team boosters, the Bulldogs of '63 brought home the first undefeated and untied season since 1927.

This year the Girls' Band under the direction of Miss Kaye Rogers, our pretty new director from Baldwin-Wallace, along with many new and interesting half-time shows, played an important part in the homecoming festivities. For the homecoming the band presented a "Cinderella" show honoring Queen Ardith and her pretty attendants. This was highlighted by black lights on the majorettes while the band played "Blue Moon," a favorite of the Queen's.

Here the band forms a "D."

ROBERT D. PACK
Varsity Coach

This has been Coach Pack's last year as varsity basketball coach due to his advancement to the position of principal of DHS. Throughout the five years of his coaching, Bob Pack has injected spirit and enthusiasm into basketball through his excellent coaching of the game. Not only has he won the admiration and respect of the boys with whom he has so closely worked, but also that of the entire student body. The first two of his three years of varsity coaching, were highlighted by trips to the Canton Field House to play in the regional tournament games. However the achievements gained by the teams are not nearly as important as the lessons in fair play, cooperation, and skill that Coach Pack has taught his men. He has also been head track coach, defensive football coach, and a fine biology teacher. The students of Dalton High will greatly miss Mr. Pack as a coach; nevertheless they wish him much success in his new position.

VARSITY TEAM

Our hats go off to this fighting "Never say die" band of Bulldogs. They represented Dalton High very well. Their good sportsmanship and determination is characterized by all Dalton teams. It was with a heavy heart that four of these Senior Varsity players saw their days with the Mighty Bulldogs come to an end. We're sure that they've gained many valuable experiences from their teamwork. It was also with a tear in their eye that this team said farewell to Coach Pack when his career as basketball coach ended this season. THANKS, Mr. Pack, for all you've done for our Bulldogs this year and in years past.

So we say congratulations to our coach and team for a job Well Done! And to those boys who will once again be on the Varsity, we say Good Luck ! !

With this team lies the future of next year's varsity. They've done an excellent job this year. We hope they continue their hard work and drive next season.

Remember, boys, there is much to be learned as you step up to Varsity. Only hard work, determination, and faith can make you winners!

May your future as Varsity Bulldogs be a successful one ! !

The Dalton Freshman Basketball Team had a fine season this year winning 12 out of 15 games. Under the excellent direction of their coach, Ned Biggs, these boys were a credit to Dalton High School.

We are confident that in the next few years, this Freshman team will develop into one of the finest Varsity teams DHS has ever known. Incidentally, these lucky boys will be among the first ones to play in our new gym!

Good Luck in your future years and keep working.

If scores were the only important consequence of athletics, our baseball team wouldn't have achieved much success this year. However, at Dalton we place more value in team spirit, cooperation, determination, and hard work than in scores. Therefore, we can sincerely congratulate our coach and team on a fine season.

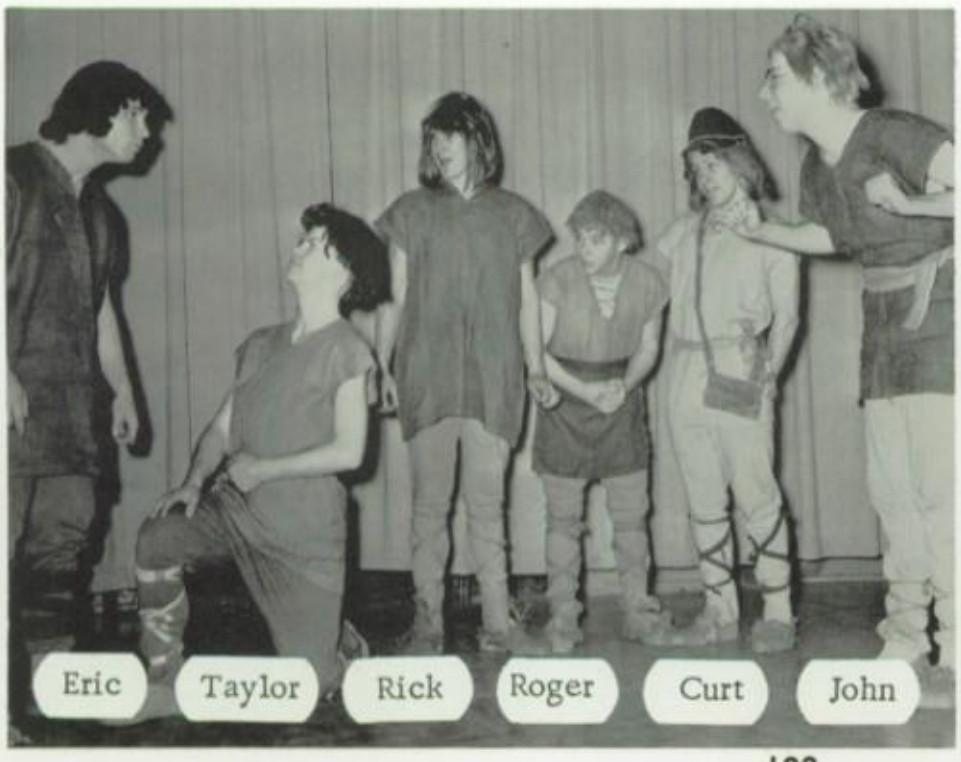
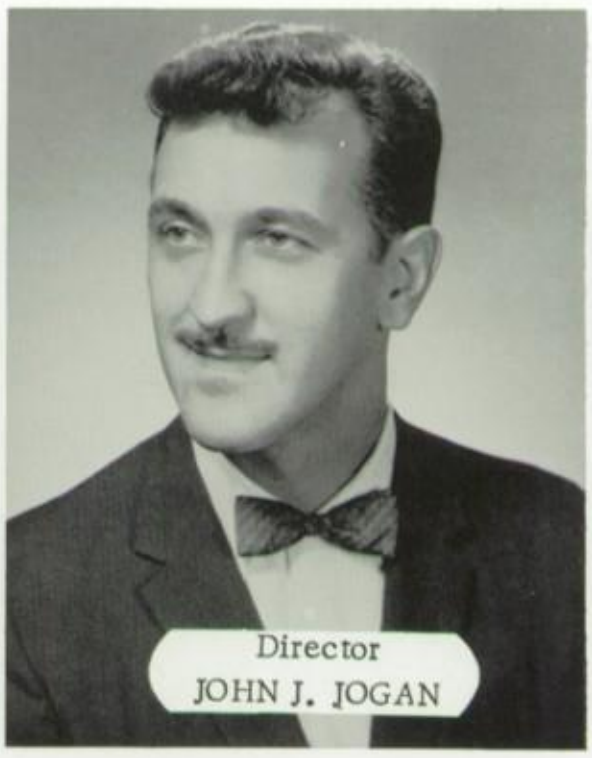
ONE-ACT PLAY

This year six very talented and hard working boys under the excellent direction of Mr. Jogan presented "Pyramus and Thisbe" for the One-Act Play Contest. After winning first place in the district contest, these boys went to the state finals and received a superior rating. Congratulations Mr. Jogan and gang!





We are indeed proud of Kathy Brown and Louise Speck who received superior ratings in the District Speech Contest. Later they competed with the best in the state by giving their oratorical declamations in Columbus.

CONGRATULATIONS, GIRLS, ON A JOB WELL DONE!

SENIOR TRIP

The seniors went to New York City for their trip this year. This was high-lighted by a day at the World's Fair. The Statue of Liberty, the Empire State Building, Chinatown, the Bowery, St. John's Cathedral, Radio City Music Hall, and many other points of interest completed the tour of New York City.

Everyone had a wonderful time but came home ready for a long sleep.
